Online Classes
Start Your Own Small Business
Learn how to take your dream of starting a business and put it into action. In this class, you'll learn everything you need to know about starting a business. You'll begin by discovering the tricks to picking the right opportunity for you. Next, you'll learn how to develop proven marketing techniques to easily build sales. Since every business needs money, we'll discuss traditional and nontraditional financing options. Finally, you'll learn how to write business policies that help you build your business.

Creating a Successful Business Plan
Turn your business ideas into a solid plan for financing and long-term success. Committing your idea to paper in the form of a business plan not only increases your chances of obtaining financing, but also in keeping your business strategically focused. With the support of your instructor and a network of like-minded students, you'll work through all of the major components of writing a business plan and emerge with your first draft in hand.
