To view a specific course listed below, enter the course title in the search box.

Individual Excellence
Develop career-enhancing skills in a single course that covers twelve popular one-day seminar topics, including goal setting, time management, and personal organization. You’ll learn how to improve your creative abilities, gain confidence with financial matters, and how to minimize conflict in your life. Develop a fulfilling career plan and improve relationships with co-workers, friends, and family.

Leadership
Leadership skills can help you gain the respect and admiration of others, while also allowing you to enjoy success in your career and more control over your destiny. Contrary to popular belief, leadership skills can be learned and developed. Even if you don’t hold a leadership position, this course will teach you how to use the principles of great leaders to achieve success in almost every aspect of your daily life.

ed2go/MPTC Online Course Registration Information
1. Locate the desired title through the Search feature or by browsing the online catalog. Once you’ve found the course, click Enroll Now.
2. Select a session start date on the Select Date page. You will then move on to the Sign In page.
3. Use either Returning Students or New Student to access or create your account. If you are a new student, you will be asked to create an account by creating a username and password and providing your contact information. Select Continue or Continue to Payment Options to move on to the Purchase page.
4. Choose which payment option you’d like to use from the choices your school has provided. Complete the payment information, if necessary. After confirming payment, you’ll automatically move on to the final Receipt page.

Listen to Your Heart, and Success Will Follow
Intelligently facilitated and fast-paced, Listen to Your Heart, and Success Will Follow will help you enjoy the rewards that come from doing what really makes you happy! Your instructor and a caring community of students will help you begin designing a life that really works for you. With a complete understanding of your own interests, values, needs and abilities, you'll learn how you can use work to express yourself and share your interests and talents. Your every day will be filled with joy and inspiration, and a greater depth of meaning will be added to everything you do. This course program is skillfully crafted to weave experiential learning with the conceptual presentation, giving you time to experience, understand, and implement each new strategy as it is introduced. ed2go.com/mptc

Fundamentals of Supervision and Management
If you have recently been promoted to a supervisory or management position or want to learn how to become a more effective manager, this course will help you master the basics of business by learning the language of management. You will learn how to make a successful transition from employee to manager and you’ll learn how to manage your time so that you can deal with the constant demands of a managerial job. You will learn the skills required to delegate responsibility and motivate your employees. A large part of a manager's job involves getting things done through other people, and this course will help you understand how to influence and direct other people’s performance. ed2go.com/mptc

Six Sigma: Total Quality Applications
Learn how to effectively apply the elements and methods of Six Sigma. Understand how more than 25 tools and methods relate to the DMAIC (define, measure, analyze, improve, and control) model. Determine the relationship of basic statistics to Six Sigma and learn about the Six Sigma business case including strategic planning, the voice of the customer (VOC), quality function deployment (QFD), benchmarking, and financial investment methods. Discover how to use brainstorming, Pareto charts, and critical to quality help define processes, problems, and opportunities. Master the use of other key tools such as cause and effect diagrams, check sheets, scatter diagrams, failure mode and effects analysis (FMEA), and force field analysis. ed2go.com/mptc

Building Teams That Work
Teams are becoming a staple in today's workplace. In this course, you'll learn the components of a successful team and the stages of its development. You'll master the skills you'll need to effectively manage projects, make decisions, and solve problems in a team setting. Plus, you'll have a chance to learn the pitfalls of unhealthy group interaction and minimize any of its effects on your team.
Along the way, you'll follow real-life examples and scenarios to help you identify with the team-building process. There's a lot more to it than just getting a number of people together in a room at the same time. Are you eager to develop your leadership qualities and be a quality team participant? Many of today's teams rotate leadership roles, so it's crucial to understand both perspectives as you learn the best ways to communicate and work together for positive change. ed2go.com/mptc
