

## Additional Loan Request Form 2017-2018

Submit to Student Services Center

Student Name: \_\_\_\_\_ Student ID: \_\_\_\_\_

**Instructions:** This form is to be used by students who already have a financial aid award, have Federal Direct Loan eligibility, and wish to request an additional loan amount. Students should review their financial aid award on their *myMPTC* account.

The College recommends you review your student loan history on NSLDS at [www.nsls.ed.gov](http://www.nsls.ed.gov). Borrowing student loans is a serious obligation, which must be repaid in full with interest. There are serious consequences if you fail to meet the terms of repayment. Carefully consider the amount of the loan funds you request, and please borrow wisely. Free Loan Counseling is available for Moraine Park Technical College students through SALT at 1-877-523-9473 or at [loanhelp@saltmoney.org](mailto:loanhelp@saltmoney.org). To view what your payment may be once you stop attending school go to the following link to determine possible payment information [www.saltmoney.org/repaymentnavigator](http://www.saltmoney.org/repaymentnavigator).

Federal loans must be distributed equally over your term of enrollment. If you request a loan for \$3,500 for fall and spring you will be awarded \$1,750 for each semester, unless you indicate you would like it all for spring semester. Please make your loan request accordingly.

I am requesting \$ \_\_\_\_\_ in additional student loan for the 2017-2018 academic year.

If you request more than your eligibility allows, the loan will be certified to your maximum eligibility.

\***FAFSA results determine subsidized loan eligibility.** Financial Aid awards cannot exceed a student's cost of attendance and are only available for courses in the student's curriculum. Each Direct Loan is subject to an origination fee.

I understand the following:

- " Entrance Counseling and a Master Promissory Note **must** be done or I will not receive loan funds:  
[www.studentloans.gov](http://www.studentloans.gov)
- " I am actively enrolled in at least six credits required for my financial aid eligible program each semester I have requested a loan, and I must be meeting the terms of the College's Satisfactory Academic Progress policy to receive any requested loan funds.
- " I am requesting a Direct Loan, which must be repaid, and I may cancel this request in whole or part before I receive the loan funds.

**By accepting this Direct Loan, I have read and I understand the requirements and the conditions applying to financial aid as stated in the Financial Aid Award Guide.**
