

## **Students 16 Years of Age and Younger**

Students under 16 years of age and their parent/guardian must complete a "[Request to Attend Classes](#)" form.

We will require that the parent and/or guardian also enroll and attend the class as a "regular" member of the class.

If the class occurs during regular K-12 school hours, the school district must also complete their portion of the form and approve the student's participation.
