

Are you looking to **MOVE** up on the Registry Career Ladder?

Yes? You can by completing a Credential!

The Administrative Credential

The Early Childhood Administrative Credential Certificate is comprised of six courses (18 credits) that address the many roles of program administrators and directors in early childhood settings. The coursework is designed for current administrators, supervisors and child care teachers from early childhood settings who want to gain more knowledge in areas such as staffing, budget development, facilities management, determining community needs, understanding laws and regulations as well as best practices and performance standards.

MPTC offers all of the Administrative Credential courses on-line in a six-week accelerated format.

Fall

- Administrative and Supervision
- Operations Management
- Financial Management

Spring

- Early Childhood Programs and the External Environment
- Best Practices
- Administrative Seminar

The Infant/Toddler Credential

The Infant/Toddler Credential Certificate is comprised of four courses (12 credits) that specifically focus on providing care to children from birth to three years of age. Students learn the emotional, mental and physical development for these ages; how to create developmentally appropriate activities; how to guide behaviors; and how to be sensitive to the needs of infants and toddlers. These skills are applied as part of a student internship.

MPTC offers all of the Infant/Toddler Credential courses.

Fall

- Infant and Toddler Development (face-to-face, FDL & WB Campuses)
- Infant/Toddler Capstone (blended)
