**Moraine Park's centennial display traveling through District**  
Moraine Park News Service

As part of Moraine Park's centennial celebration, a traveling display has been created to rotate throughout the College's District. Six panels are the base of the display incorporating a timeline of photos and facts of Moraine Park from 1912 to the present. Several College artifacts and documents complete the display. Take a moment to experience this bit of College history.

The traveling display will be at the following locations throughout the year:

- March: Moraine Park's Beaver Dam campus
- April: Moraine Park's West Bend campus
- May: Moraine Park's Fond du Lac campus

Visit the "Events Calendar" tab under Moraine Park's centennial website at [morainepark.edu/100years](http://morainepark.edu/100years) to view a full schedule of the display locations, as well as other centennial activities.

Moraine Park was established in 1912 and is one of 16 technical college districts that make up the Wisconsin Technical College System. With campuses in Beaver Dam, Fond du Lac and West Bend, Moraine Park offers more than 100 associate of applied science degrees, technical diplomas, apprenticeships and certificates delivered in a variety of formats — classroom, online and blended. Training and technical assistance for businesses is also offered.
