# ALUMNI & FRIENDS

The Moraine Park Foundation has an exciting opportunity for friends, alumni, students, staff, faculty and businesses to be part of our new Student Services Center addition to the Fond du Lac campus. We invite you to create a lasting memory in honor of a family member, retiree, workgroup, business, student group, loved one, friend, or other important person in your life through a **PERSONALIZED BRICK**.

The engraved bricks will add life to the walkway around the flagpoles near the new main entrance frequented by students, staff, alumni and community members. The brick pavers are available in two sizes: 4x8 inches and 8x8 inches.

# WE BUILD FUTURES

Your gift in the form of a commemorative brick supports student scholarships, Dreamkeepers® emergency financial assistance, and other areas of need that make education accessible and support student success. Successful students become better people, bring their education and skills to the local workforce, and contribute to their local communities.

Please order your paver(s) by using the enclosed order card and reply envelope.

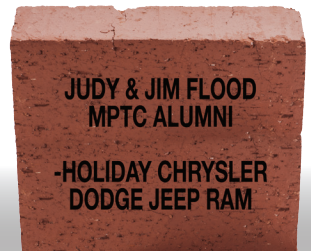

*Like our students' potential,  
the possibilities are endless!*

*“Scholarships played a large role in my success with  
the financial struggles during my time at Moraine Park.  
Know that your gift empowers students  
to achieve their goals.”*

The Moraine Park Foundation was established in 1976 to support Moraine Park Technical College and its students. Although the majority of funding for the College comes from tax revenues and students fees, these sources do not meet the needs for student scholarships, emergency financial assistance, or community partnerships. Your generous gifts to the Foundation enhance the College's ability to provide an affordable, quality education to students and to help build a highly skilled workforce for our local communities.
