The Board of Trustees of Moraine Park Technical College has the authority and accompanying responsibility for the effective governance of the College. The Board carries out this responsibility through the commitment to fundamental philosophical beliefs about their roles and leadership and how those are embodied by the actions of the trustees, the College President, and the faculty and staff that comprise the broader College District.

The Board embraces a governance view that is strategic, future-oriented, proactive, positive, ambitious, transparent and deliberative. This governing philosophy encourages diversity in viewpoints, reinforces the centrality of Board policy-making and empowers the President with clear direction.

More specifically, the Board will:

- Operate in all ways mindful to its trusteeship and stewardship obligations to the citizens of its District.
- Take action only in official Board meetings called, scheduled and conducted according to statutory requirements.
- Ensure the continuity of its governance capability through individual training, development and the orientation of new members in the Board’s governance process.
- Lead and inspire the organization through the careful establishment of the broadest organizational policies reflecting the District’s values. The Board’s major focus will be on the intended long-term impact of the College on the District stakeholders.
- Accept collective responsibility for excellence in governance. The Board will use the expertise of individual trustees to enhance the work of the Board as a body, rather than to substitute their individual judgments for those of the Board as a whole.
- Monitor and discuss the Board’s process and performance regularly for continuous improvement. Annual self-monitoring will include comparison of Board activity and discipline to policies in the Governance Process and Board-Staff Relationship categories and any Board goals that may be established annually.
- Seek balanced input from various sources including staff, students, alumni, employers and other community members on Board policies. The Board will initiate timely linkages with stakeholder groups as needed.
- Make decisions, to the extent possible, on a consensus basis.
- The Board maintains active membership in local, state and national associations and affiliations that the Board deems appropriate to the mission of the College:
  - Wisconsin Technical College District Boards Association (DBA)
  - Association of Community College Trustees (ACCT)

### Notification

District Board meetings are public meetings and open to the public in accordance with Chapter 19, Wis. Stats.

Every public notice of a Board meeting shall set forth the time, date, place and subject matter of the meeting, including that intended for consideration at a contemplated closed session per Wis. Stat. sec. 19.84(2), as amended.

### Agenda

The Board shall assume and exercise responsibility for oversight of Board planning and agenda setting. Accordingly, each member of the Board shall have an opportunity to identify issues to be considered on the Board agenda. The Chairperson shall work with the President to prepare and disseminate the agenda.

- The College Vision, Mission, Value Statements, and Strategic Priorities will be reviewed annually.
- Subjects for major policy issues to be discussed and acted upon by the Board will be developed on an annual basis.
- The Board will conduct an annual organizational meeting on the second Monday of July for the purpose of administering the Oath of Office to newly elected Board Members and for the election of Board Officers. (Wis. Stat. sec. 38.08(3), as amended)

### Meetings

The regular meetings of the District Board shall be held monthly, subject to change by call of the Chairperson with the approval of the District Board. Proper notification of all Board meetings shall be given to the public and the news media as required by the Wisconsin Open Meetings Law. Based upon Wisconsin Statutes, all regular and special meetings of the Board shall be open to the public, with the exception of closed sessions.

Unless suspended or waived, the rules of parliamentary procedure according to the current edition of *Robert's Rules of Order, Revised* shall govern those proceedings to which they are applicable. Unless otherwise specifically provided by statute, no secret ballot may be utilized to determine any election of other decision of a governmental body except the election of the officers of such body in any meeting.

An opportunity for public input, called Public Comments, shall be available at each Board meeting. Unless requested by the Board Chairperson from the audience, regarding a specific agenda topic, public comments or dialogue are not allowed during other portions of the Board meeting and/or discussion.

Public comment periods are not considered to be public hearings or a forum for public debate. Certain ground rules will be followed regarding the public comment at Board meetings. These ground rules are meant to protect all citizens so that the work of the Board serves everyone, not only those able to attend the meeting:

- The Board Chair will determine the total amount of time devoted to public comment at any given meeting and may establish a maximum number of individuals heard or maximum number of minutes provided to each citizen.
- Prior to the start of the meeting, individuals who wish to address the Board must sign in with the Board Assistant and provide any requested information.
- Only individuals signed in to offer public comment will be invited by the Board Chair to do so and will be required to identify themselves prior to their commentary.
- Individuals should not expect to engage in dialogue or discussion with members of the Board on any matters raised during the public comment period as Board members have no obligation to respond to statements made.
- Individuals recognized to speak by the Board Chair may not engage in debate or dialogue with any other person at the meeting.
- Comments shall be respectful and courteous. Comments which do not conform to those requirements including those that are personal, threatening, attack others, are obscene or insulting, or are properly subject to closed sessions such as those relating to personnel matters, will not be allowed. Offenders may be required to leave the meeting.

#### Closed Sessions

The District Board may also meet in Closed Session in accordance with Wis. Stat. sec. 19.85(1), as amended. Closed Sessions can be before, after, or anytime during a regular meeting provided proper legal notice is given.

Closed sessions are called by the Chairperson and approved by a majority of the Board for discussion pertaining to areas provided in Wisconsin Statutes. When final action is taken in proper closed session, the resolution and result of vote must be made available for public inspection.

#### Quorum

A quorum for the transaction of business shall consist of a majority of the members of the District Board, but a smaller number may adjourn a meeting. (Wis. Stat. sec. 15.07(4), as amended) Board members should be aware of and avoid walking quorums. A walking quorum is a series of meetings, telephone conferences, electronic communication, or some other means of communication by a number of Board members who come into an agreement regarding College business that collectively would constitute a quorum. Features such as 'reply all' and 'forward' may provide the information instantly to the number of Board members to be considered a quorum and thus violating Open Meetings Law. To avoid unintentionally creating a walking quorum, Board members should refrain from engaging in substantive discussion or coming to agreement on a uniform course of action among separate groups of members.

A quorum of members may be met for an open or closed session of the Board by participation via phone or other conferencing solutions. Such electronic participation may be allowed if the member is prevented from physically attending due to personal illness or disability, employment or family conflicts or emergencies, or severe weather.

### Minutes

The President, under the direction of the Secretary of the Board, shall keep, or cause to be kept by the assistant to the Board, complete records of all actions (motions and resolutions) of the Board meetings through the minutes.

The minutes of a meeting shall be sent to the members of the Board before the meeting at which they are to be approved. Corrections in the minutes may be made at the meeting at which they are to be approved.

### Board Records

The President shall maintain a permanent record of the minutes of all Board meetings and shall provide each Board member with copies of the minutes, agenda, current budget information, policies adopted by the Board, and any other reference information.

The strategic planning process has led to a shared vision to fulfill our mission. The strategic priorities focus on excellence and continuous improvement for all College decisions and actions.

**Vision**

*Your home for lifelong learning to achieve lifelong dreams*

**Mission**

*Growing minds, businesses and communities through innovative learning experiences.*

**Strategic Priorities**

1. **Increase Enrollment** — improve the ability to attract and retain high-school graduates and adult learners seeking to build skills and earn a degree. To do this, Moraine Park Technical College (MPTC) will pilot new recruitment strategies, engaging high school students, their parents and adult learners, particularly evaluating entrance pathways for those from diverse backgrounds. Student retention strategies will focus on the students most likely to exit before earning a credential. In addition, the College will create compelling, relevant academic experiences to support student learning. Finally, the College will revise program schedules to meet student needs for on-demand learning and predictable schedules.
2. **Enhance Workplace Culture** — attract and retain talent who demonstrate our values and both anticipate and address student and organizational needs to create meaningful learning experiences. To accomplish this, MPTC will make leadership development and succession planning a priority focus. We will pursue talent retention strategies to ensure talented individuals who demonstrate our values and position us for success are rewarded. The College must be a leader in responding to changing employee expectations, recognizing that doing so may also require us to change the way we do business. We envision a culture where healthy lifestyles and community engagement are among the ways we demonstrate our commitment to attracting and retaining top talent.
3. **Increase Economic Driver/Community Impact** — the College supports business/industry in the transition to automation and a more diverse workforce. As employers and workers make this transition, MPTC must both lead and respond for the new demands and technologies. This includes developing in students both the technical skills required to lead and support automation as well as the career and life skills needed to communicate, problem-solve and negotiate in the workplace of the future. Likewise the College sees a role for aiding those displaced by automation in developing new skills to achieve financial independence.
