Deadline

Applications due to the Financial Aid Office by February 1, 2022

Eligibility

- Must be a Wisconsin resident and enrolled full-time or part-time in an eligible Wisconsin technical college program.
- Must apply for financial aid, and financial need is determined by a financial aid officer at the local technical college. The Financial Aid Office must also sign the application.
- Applicant must have been or currently be a member of a family operating a Wisconsin Farm. A family farm is defined as an agricultural entity of any size with the majority of the family income derived from the farm operations. This does not include hobby farms. Farms in other states do not qualify.
- If there are not a sufficient number of approved applicants involved in a Wisconsin Family Farm, consideration may then be given to a person from a rural Wisconsin area. Rural is defined as a township, village or city with a population of less than 20,000, based on the most recent Federal Census.
- In the event an applicant has completed his / her first year, prior academic achievement will be considered.
- If candidates meet all eligibility requirements, demonstrated leadership ability will be used as a deciding factor.

Financial Aid Offices will email applications to Grants@wtcsystem.edu to be received by February 10, 2022.

Final decisions regarding awards are made by Wisconsin Rural Opportunities Foundation, Inc.
