I am interested in summer work-study employment.

I am interested in a Direct Loan for summer (minimum 6 credits enrollment required). I am requesting \$\_\_\_\_\_ for summer.

I will receive education assistance from: DVR\_\_\_TAA\_\_\_WIA\_\_\_VA\_\_\_Other:\_\_\_\_\_

Summer session is considered part of the academic year. The 2015-2016 Free Application for Federal Student Aid (FAFSA) applies for aid for the fall 2015, spring 2016 and summer 2016 semesters. You are eligible to apply for summer aid if you meet all of the following:

1. Currently accepted in an eligible program as a regular degree-seeking student prior to or for the summer term.
2. Have a completed 2015-2016 financial aid file (including any verification documentation required).
3. Have remaining eligibility.
4. Have maintained satisfactory progress.

**IMPORTANT: If you do not meet all above criteria, your Summer Financial Aid Application will not be processed. You will be notified via your student e-mail when the review is complete.**

*If all eligibility was used during the 2015-2016 fall and spring semesters (i.e., you were full-time both semesters or used the annual federal Direct Loan limit), there may be no aid available for the summer term.*

Summer credits for full-time enrollment status is the same as it is during the regular school year (12 credits equals full-time, 9-11 credits equal three-quarter time, 6-8 credits equal half-time, and 1-5 credits equal less-than-half-time). This applies to all grants and loans.
