Instructions: A completed Special Condition Review packet should include the following:

- an accepted financial aid award (accepted and verifiable online via myMPTC),
- a completed Special Condition Review Form,
- a statement or documentation as required to support your request.

Do not submit this information before completing the Federal Tax Return for the calendar year impacted. You may only submit one year's tax information for review and only one review may be completed in any award year. Fully complete all sections of this form.

Other Information: The information supplied with your form will be reviewed to determine if adjustments to your FAFSA can be made. Please allow 3 to 4 weeks for processing time. Additional information may be requested once received. All decisions made by the Financial Aid Office are final. You will receive notification if we are unable to process this request. If a change is made, you will receive a revised Student Aid Report (SAR) from the Department of Education. The Financial Aid Office will then revise your award.
