RULES

The goal of TKC is for students to experience hands-on learning. To ensure the safety and a positive experience for all students, students are expected to adhere to the following camp guidelines:

1. Students are not allowed to touch any lab equipment unless directed by an instructor to do so.
2. Students are not allowed to push, shove, trip or kick other participants.
3. Students are expected to follow the directions of all Moraine Park staff and activity leaders.
4. Students are not allowed to use any offensive language.

Students will receive two warnings. If there should be another offense, Moraine Park will contact the student’s parent and ask the parent to pick up the student. The student will not be allowed to return, and no refund will be given.

Tech Knowledge College is an educational offering of Moraine Park Technical College and is not sponsored by the schools within the College district. The information is supplied by Moraine Park Technical College.

Moraine Park Technical College does not discriminate on the basis of race, color, national origin, sex, disability or age in employment, admissions or its programs or activities. The following person has been designated to handle inquiries regarding the College’s nondiscrimination policies: Equal Opportunity Officer, Moraine Park Technical College, 235 North National Avenue, PO Box 1940, Fond du Lac, WI 54936-1940, 920-924-6355 or 920-924-3495.
Welcome to Tech Knowledge College (TKC)! This exciting opportunity to do something amazing is open to all students entering sixth through eighth grades.

What career will you do great things in? What new and exciting career would you like to explore hands-on this summer?

Check out the options below, and choose two careers to explore from those offered. Be sure to sign up early so that you get into the activities that interest you! TKC will run from 9:30 a.m. until 2:45 p.m., August 2, 3 and 4 at the Moraine Park Fond du Lac campus. Lunch and a morning snack will be provided. Busing will be available from the West Bend and Beaver Dam Moraine Park Campuses.

Note: Activities fill up rapidly. Please check the website (morainepark.edu/tkc) for a current list of openings.

**Dear Parents and Middle School Students:**

Welcome to Tech Knowledge College (TKC)! This interactive educational opportunity is available from the West Bend and Beaver Dam Campuses. What career will you do great things in? What new and exciting career would you like to explore hands-on this summer?

Check out the options below, and choose two careers to explore from those offered. Be sure to sign up early so that you get into the activities that interest you! TKC will run from 9:30 a.m. until 2:45 p.m., August 2, 3 and 4 at the Moraine Park Fond du Lac campus. Lunch and a morning snack will be provided. Busing will be available from the West Bend and Beaver Dam Moraine Park Campuses.

Note: Activities fill up rapidly. Please check the website (morainepark.edu/tkc) for a current list of openings.

**SESSION 1**

9:00 a.m. – 11:30 a.m.

**LUNCH**

11:30 a.m. – 12:15 p.m. (included in registration fee)

**SESSION 2**

12:15 p.m. – 2:45 p.m.

Registration begins on May 1. Activities are filled on a first-come, first-served basis. For additional information or questions, please contact me at 920-924-3204 or 1-800-472-4554, Ext. 3204. I look forward to your participation in this interactive educational opportunity.

Sincerely,

Erin Wierenga

Moraine Park Technical College

ACTIVITIES

**BE AN ARCHITECT**

Use your creativity to draw buildings! You will be introduced to the Revit software to create building models, floor plans, elevations, and colored perspectives to design your dream home!

**COOKING NUTRITIOUS & DELICIOUS!**

With a focus on teaching healthy cooking and dining choices, students can make and prepare great foods for the body that taste incredible! Class will focus on recipes for after school snacks, breakfasts and family dinners. Learn the benefits of local foods and some of the effects on health.

**AUTO REPAIR**

Learn about the tools and equipment used in an automotive service lab. Do vehicle inspections, check under the hood, access computerized service manuals used in auto repair facilities, and more! Closed-toed shoes are required.

**IT'S ELECTRIC!**

Could you imagine a world without electricity? Experiment with batteries, light bulbs and voltages as you learn about the basics of electricity, circuits, and safety. Getamped up for an electric time!

**TOUR OF ITALY**

Pizza! Gelato! Learn how to make pizza crust from scratch. We will work with made-from-scratch pizza and pasta dough the first day; add sauce, toppings and prepare a gelato base the second day; and will finish with a party on the last day!

**LAW AND ORDER**

Have you ever wondered what it's like to be a corrections or police officer? You will learn about the ever-changing criminal justice system. You will work with fingerprinting and restraints and learn tactical maneuvers with a mannequin to gain a basic understanding of the roles police, courts and corrections play. Communication and teamwork are keys to keeping us safe!

**DREAM, DESIGN, DO**

Can someone draw a picture and you see the image in color? You can learn to read the computer dance. Create your own animated text. All you need are basic computer skills and a great idea!

**BE YOUR OWN CAKE BOSS**

Do you like sweet treats? Join us in the bakery making cakes and cupcakes! Using a variety of frostings like fondant, buttercream, and icing to decorate and create flowers, leaves and borders. Use piping tips to write and create cake art!

**SALON TECHNIQUES**

Are you a trend setter? Do you like to look your best? Spend time in Moraine Park Technical College’s Salon and Spa to learn the latest in up-do’s, braiding and styling. Get pampered by receiving (and giving) a manicure and custom-blended mini-facial, complete with make-up demonstrations.

**FIX IT, TUNE IT, RIDE IT!**

Are you a future Tour de France rider? Bicycle enthusiasts, you will learn to fix flats, fine-tune your own bicycles, and build a bicycle. On the final day, be prepared to enjoy a long bike ride!

**DREAMING OF THE FUTURE**

Catch the positive and let go of the negative. Create a dreamcatcher and learn the legend and lore behind the craft.

**BEYOND BAND-AIDS**

Think all nurses do is apply band-aids? Explore the many activities in the day of a life of a nurse! Ever wonder what the nurse is hearing on the other side of the stethoscope? How many ways can medications be given? Practice these skills and more on the interactive simulation manikin!
