Resetting your forgotten password made easier!

The College will be simplifying the process to reset a forgotten password from the convenience of your computer. (No need to call the Helpdesk.)

**Act now** and make sure you have a current PERSONAL or WORK email address type on record.

Go to the Home Tab on myMPTC.
In the far right column click Personal Information.
Click Update E-mail Address.
Add or edit a Personal or Work email.
(Do Not use College issued emails for “Personal” or “Work” email types)
