ON-CAMPUS RECRUITING

Nemak is Hiring!

THURSDAY, NOVEMBER 20, 2025

11:00 AM – 1:00 PM

**MORaine PARK TECHNICAL COLLEGE
FOND DU LAC CAMPUS – CAFETERIA ENTRANCE**

Nemak is a global leader in lightweighting solutions for the automotive industry, specializing in the design, development, and high-pressure die casting of aluminum components. Our products play a key role in improving fuel efficiency, reducing emissions, and supporting the transition to electric and sustainable mobility.

At our Sheboygan, Wisconsin facility, we produce precision-engineered aluminum engine blocks, transmission cases, and structural components for major automotive manufacturers. Nemak's advanced manufacturing technology and commitment to innovation make us a trusted partner to the world's leading automakers.

We take pride in offering a clean, high-tech production environment and in fostering a culture built on teamwork, continuous improvement, and safety. Our employees enjoy competitive wages, excellent benefits, paid holidays, and three weeks of vacation, along with opportunities for training, development, and career growth within a global organization. At Nemak, we are shaping the future of mobility – one part at a time.

Positions Include: Apprentice Mechanic/Mold Maker/Multi Craft Mechanic; CMM Technician; CNC Machinist; CNC Technician; Die Repair; Electromechanical Technician/Trainee/Trainee Lead; Forklift Repair Technician; General Maintenance Technician; Health Room Technician; Welder and many more.

Contact Michele Sabel at 920-924-3205 with any questions.
