ACCOUNTING

Program Number: 10-101-1
School Year: 2020-2021
Associate of Applied Science Degree
Campus: Beaver Dam, Fond Du Lac, West Bend, Online
This program is eligible for financial aid.

Turn your passion for numbers and details into a rewarding career—get started in the Accounting associate degree program at Moraine Park Technical College and start the job of your dreams in as little as two years.

About the Program

The Accounting Associate of Applied Science degree at Moraine Park—which is available on campus or online—gives students an in-depth look at all facets of the accounting world. Students learn about teamwork, communication skills and various accounting software programs. Students gain hands-on experience using computers to process financial data for reporting, planning, controlling and decision-making purposes. Graduates of the program are informed about ethical standards for accountants and the Generally Accepted Accounting Principles.
