Financial aid funds aren’t disbursed until after the start of the term, but you need books right away, so we’ve set up a way for you to charge books at MPTC bookstores before your funds are disbursed.

**Eligibility Requirements:**
The following must be completed at least 2 business days in advance of coming to the bookstore or ordering online to ensure your funds are available in the bookstore system:

- Meet Satisfactory Academic Progress requirements.
- Meet the College’s Academic Standing requirements.
- Have sufficient funding from federal or state grants and/or Federal Stafford Loans to cover tuition, fees and bookstore charges.
- Accept your financial aid award and authorize bookstore charges by accepting the Terms and Conditions of the award in myMPTC.

**I’m Eligible, Now What?:**

*To charge books during the specified dates:*

- Go to the Moraine Park bookstore on any campus with your student ID, student ID number, and a copy of your course schedule
  - OR-
  - Go to morainepark.edu/bookstore to order your textbooks online and have them shipped directly to you or to any college campus bookstore.

- After books are purchased, the charges will appear on your myMPTC student account. **All financial aid funding will begin disbursing after the Date of Record (the 15th calendar day of each semester).** At that time, those funds will be applied to your balance. If there is funding in excess of tuition, fees and bookstore charges, a refund will be generated.

- Charged books may be returned according to the bookstore return policy. If the textbook meets the return criteria, a credit will be applied to your student account. There are no cash refunds.

- Once the charging time period has expired, you will need to purchase books and/or supplies with your own personal funds.

**Important Things to Remember:**

- Students will not be permitted to charge non-essential items including, but not limited to, clothing, food, drinks, and convenience items.

- You will be held responsible for full payment of your books if you become ineligible for Financial Aid or your aid is not sufficient to cover your account balance. **Failure to pay all charges on your account will prevent you from registering for future courses and a hold will be placed on all your academic records. Your debt will also be referred to the Wisconsin Department of Revenue for collection.**
