

June 2021

Please note the following update on your Fall 2021 Nursing Assistant courses at MPTC:

Greetings to all Fall 2021 Nursing Assistant Students!

Our Moraine Park Technical College Nursing Assistant course will continue to be 2-credits at 75 hours total.

Health requirements will entirely resume for Fall 2021. A urine 10-panel drug screening is required for **ALL** Nursing Assistant courses. The drug screening and **ALL** required health requirements are due **one-week** prior to the class start.

Your instructors are dedicated to your success in the course. They will work with you to provide you the most up-to-date information. Please reach out to your instructor, academic advisor, or myself if you have any questions. Again, we are committed to your success in the course. Thank you for choosing MPTC for your Nursing Assistant training course.

Sincerely,

Kelly Shafaie, MSN, RN
Associate Dean of Nursing
