

Student Health Requirements – Nursing Assistant Program

Below is a list of health requirements for your program. These are set by the clinical agencies which require compliance with their employee health standards. For more information visit <https://www.morainepark.edu/programs-and-courses/program-information/nursing-assistant-30-543-1/> For immunizations obtained in Wisconsin, go to the Wisconsin Immunization Registry at: <https://www.dhfs.wisconsin.gov/immunization/> and click on Public Immunization Record Access.

Any fees associated with vaccines or tests are the student's responsibility

***Failure to submit ALL required documentation by due date will result in an administrative withdrawal from course.**

Drug Testing (Urine) – One of the clinics below **must** be used for your drug screen. For drug test, a driver's license or picture ID is required. It is best to call first & make an appointment. **DO NOT** get it done through your healthcare provider. **Any fees associated with the drug screen are the student's responsibility.**

SSM Health at Work: (3 locations):

- 430 E. Division Street, Fond du Lac 920-926-5666
- 620 W. Brown Street, Waupun 920-324-6846
- 790 Eastgate Drive, Ripon 920-745-3590

Be sure to verify costs and payment methods of any services. Please note that most clinics charge an **additional fee** for positive drug screen panel/prescription evaluation. Should a drug screen come back with a "negative-dilute" finding, students will be required to repeat the test at their own expense.

NOTE: Should a currently enrolled student's drug screen be returned with a positive finding for any state or federally controlled substance prohibited by law the student will not be allowed to return to class, including participation in any off-site clinical, until such time as they have completed the necessary actions outlined in Procedure PR 723.03 Student Reasonable Suspicion procedure.

Compliance with program requirements ensures safe care-giving environments. Thank you in advance for completing and submitting all health and other program requirement forms and documentation by the due date.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. "Genetic Information" as defined by GINA includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.
