

Student Acknowledgement Form for Associate Degree Nursing

Please read the following statements.

I understand that:

1. If I am selected and I choose not to begin the core nursing courses, my petition will be voided and it will be necessary to submit a new Petition Form when I am ready to enter.
2. If I am selected as an alternate but an opening does not occur for me to begin core nursing courses, I **MUST** submit a Petition Form indicating my interest in beginning core courses the following semester or when I am ready.
3. I will be contacted via my MPTC student email account within 15 days after the petition deadline regarding my petition status. I **WILL NOT CALL** to ask about my status prior to receipt of the letter.
4. I will have an acceptable criminal background check before starting the core nursing courses. If I do not self-report any new charges to the College, I may be dismissed from the Nursing program.
5. I will provide documentation of completion of program health requirements including physical exam, drug screen, current TB skin test and current CPR before starting core nursing courses. (Additional information will be available at the Nursing Program Onboarding Session).
6. I will be accountable for the Absence Policy in the Associate Degree Nursing Program Student Handbook.
7. If selected to begin core nursing courses or selected as an alternate, I will attend the **mandatory** Nursing Program Onboarding Session to be held in-person on December 3, 2021, at 1:30PM to receive necessary information and be prepared for core nursing courses.
