Moraine Park Technical College does not discriminate on the basis of race, color, national origin, sex, disability or age in employment, admissions or its programs or activities. The following person has been designated to handle inquiries regarding the College's nondiscrimination policies: Equal Opportunity Officer, Moraine Park Technical College, 235 North National Avenue, PO Box 1940, Fond du Lac, WI 54936-1940, 920-924-6459 or 920-924-3232.

## Social Security Number

Social Security number is voluntary but has advantages as part of your permanent record. Standard use of the Social Security number as part of a student's record has proven to be beneficial for both the student and the College. It provides a unique identifying element and assists the College in its state and federal government reporting requirements. **Social security numbers are not shared with outside entities**, they are used only as a unique identifier for the student and to correctly release tax data to the student via the 1098T tax form.

## Student Identification Number

At the time of registration, Moraine Park assigns a unique identification number to each new student. ID numbers are used to provide access to college services.

A new ID card will be issued for free in student services to account for the recent student ID number changes in Spring 2009. IDs can be replaced thereafter for a fee of \$10. The card must be presented upon request to all college employees.

## Privacy of Records

The Wisconsin Public Records Law requires release of information held public by the Family Rights of Privacy Act of 1974. Moraine Park has designated as public information your name, address, telephone number, date of birth, program, year accepted into program, dates enrolled, dates of attendance for completed course or general dates of the current semester, withdrawal dates or date of death, type of degree or diploma, college ID photo, collegiate e-mail address and most recent institution attended. This information can be held confidential by filing a form in the Student Services Center. Agencies who provide you financial aid can receive any information held private under this law, regardless of a Withhold of Data Request.

## Age Requirement for Enrollment

Must be 16 years of age prior to class start date or receive special permission.

## Legal Residence

An individual who is a legal resident of the state of Wisconsin pays resident program fees. Out-of-state residents pay additional tuition for postsecondary classes. The out-of-state tuition applies to vocational adult classes.

Contact the Student Services Center for questions related to legal residence.

## Age 62 or Older Exemptions

The Wisconsin State Legislature provides exemption for payment of program fees for students 62 years of age or older enrolled in vocational adult classes (fourth digit of course number is 4). These exemptions do not include material fees or other assessed fees. These exemptions do not apply to associate of applied science degree, technical diploma, or apprenticeship courses (fourth digit of course number is 1, 3, or 5).

Moraine Park provides discounts to students 62 years of age or older enrolled in avocational courses (fourth digit of course number is 6). A 25% discount of the community service fee is applied. This discount does not include material fees or other assessed fees.

## Refund/Withdrawal Policy

**It is the student's responsibility to complete an add/drop request form with student services staff or withdraw via self-service on the Web if they are no longer interested in the course(s) they registered for. If a withdrawal is not completed, students are responsible for all tuition and fee payments for holding their seat in the enrolled course.**

### Amount of Refund

- **100%**
  - If the College cancels a course.
  - If a student applies for a refund before the first class meeting.
- **80%**
  - If a student applies for a refund before 11% of the course's potential hours have been completed.
- **60%**
  - If a student applies for a refund when 11% of the hours are completed but before 20% of the course's potential hours have been completed.
- **0%**
  - If a student applies for a refund after 20% of the course's potential hours have been completed.

**A student may transfer 100% of fees from a dropped class within 5% of the instructional hours being complete of the course at start of the term and if the class added is requested at the same time that the drop occurs. If there is a fee difference between the dropped and added courses, students are credited or billed the difference.**

## Deadline to Withdraw From Classes

**Depending on the length of a course, the last date to withdraw occurs when 67% of the instructional hours are complete. A refund occurs if applicable. After that date, an F grade is awarded and is calculated into the cumulative grade point average if the student is not successfully passing.**

**Federal Return of Title IV Funds Policy:** The Higher Education Amendments of 1998 changed the formula for calculating the amount of aid a student and school can retain when the student totally withdraws from all classes. Students who withdraw from all classes prior to completing more than 60% of an enrollment term will have their eligibility for aid recalculated based on the percent of the term completed. This policy applies to all students who withdraw, drop out, are expelled or otherwise fail to complete the period of enrollment for which they were charged and who receive financial aid from Title IV funds.

Events and fee payment are subject to change without notice.

**Note:** Students who do not complete a withdrawal form when discontinuing a credit class will receive an F grade on their transcript. Students may drop **Associate of Applied Science Degree** or **Diploma** classes up to the time 67% of the class is completed. Classes may not be dropped after 67% of the class is completed. The drop date shall be the date upon which the student officially notifies the school to initiate a class drop or withdrawal process.

Class schedules and fees are subject to change without notice and are not to be considered as contractual guarantees for any course.
