Select courses that align with your career path	10	Contact your MPTC Advisor or Other College

NOTE: We recommend contacting your MPTC advisor or the other institution for additional assistance with the transfer process and course selection. While the tables in this document illustrate how courses and credits will transfer from one degree to another, actual credit totals may vary based on course selection. Please refer to the formal agreement as additional conditions may be needed to fulfill requirements; including, but not limited to, maintaining a minimum cumulative GPA and earning a minimum number of credits at the 4-year institution.

* Mathematics subject area requires a minimum of 5 credits to earn an Associate of Science degree at MPTC.

† Natural Science subject area requires a minimum of 15 credits to earn an Associate of Science degree at MPTC.
