To Whom It May Concern:

The Building Inspectors Association of Southeast Wisconsin has established a Dennis Peterman Scholarship Fund. The Scholarship total fund allocated for 2026 is \$5000. The maximum number of Scholarships to be awarded will be five (5). The maximum individual Scholarship to be awarded is set at \$1,000 and will be based on scoring criteria per applicant as set forth by our Scholarship Committee and the number of applicants.

This fund is being established in the hopes of encouraging future participation within the construction field of study or related to the construction industry. These Scholarships are being offered to all 2nd year, or greater University and Technical College students.

You will find enclosed the Scholarship Application which we have developed per our requirements and guidelines. As a qualifying educational institution, within our membership area, we would like to invite you to share this information with your students.

If you have any questions or concerns please feel free to contact me at the number or email address provided above. I may be reached by phone at 262-375-5305 at my office between the hours of 8-10AM, Mon-Fri.

Sincerely,

James S. Micech

BIASEW SCHOLARSHIP GUIDELINES

The number of scholarships to be awarded each year will vary depending upon the number of successful applicants selected by the BIASEW Membership Committee.

Amount of each scholarship:

- \$1,000 maximum per recipient
- \$5,000 total per year

Qualifications:

- Must be entering second year, or greater, of college.
- Must be enrolled in a technical or four-year College/University in the State of Wisconsin.
- Must be a full-time student.
- Scholarship must be used at a technical or four-year College/University in the State of Wisconsin
- Must be in a construction field of study or field related to the construction industry.

Application Procedure:

- Applicant must complete the BIASEW Scholarship Application and return it to the Membership Committee chairperson by the due date (**see application**).

Selection Procedure:

- The Membership Committee, as appointed by the current BIASEW president, will select recipient(s) from applications meeting the requirements.

Scholarship Administration:

- Scholarship monies will be awarded after the recipient presents proof of enrollment and/or official class schedule to the BIASEW Membership Committee.
- A check will be made directly to the student and school they are attending. The recipient must submit all necessary information to the BIASEW Membership Committee as so to ensure that the check is sent to the correct place. BIASEW will not be responsible for checks sent to the wrong campus, office, etc.
- If tuition has already been paid in full by other means, scholarship payment may be made to the student upon receipt of documentation of payment.
