

## COOPERATIVE PURCHASING FORM

**MPTC solicitation identification commodity/service:** \_\_\_\_\_

**MPTC solicitation identification number:** \_\_\_\_\_

Wisconsin statutes establish authority to allow Wisconsin municipalities to participate in cooperative purchasing when the Contractors agree to extend their terms to them. **Participating in the service gives contractors opportunities for additional sales without additional bidding. Please be aware that your participation is voluntary.** Municipalities use the service to expedite purchases. A "municipality" is defined as any county, city, village, town, school district, board of school directors, sewer district, drainage district, vocational, technical and adult education district, or any other public body having the authority to award public contracts (s. 16.70(8), Wis. Stats.).

Interested municipalities will contact the Contractor directly to place orders and are responsible for receipt, acceptance and inspection of goods directly from the Contractor, and making payment directly to the Contractor. Moraine Park Technical College, in serving as the lead agency initiating this cooperative purchasing program on behalf of other Municipalities, is not party to any disputes arising from purchases made by other municipalities, and is not liable for delivery or payment purchases made by other municipalities. A vendor's election to extend prices to a cooperative purchasing agreement may be used as a factor in the award decision of this project.
