Harassment by employees, students and non-employees, on the basis of race, color, sex, national origin, age, disability or other protected status is an illegal practice prohibited by MPTC.

Unwelcome sexual advances, requests for sexual favors, sexual violence and other verbal or physical conduct of a sexual nature constitutes sexual harassment when the following occurs:

Harassment based upon race, color, sex, national origin, age, or disability includes ethnic or racial slurs or other verbal and/or physical conduct relating to a person's race, color, sex, national origin, age, or disabling condition which interferes with an individual's work performance or creates an intimidating, hostile, or offensive environment. MPTC will not tolerate harassment by its employees, non-employees, or students. Any person who engages in harassment will be subject to disciplinary action and/or termination.

Harassment & Discrimination Grievance Procedure

Narrative Description of Procedure

This procedure is intended to provide employees, students and nonemployees with information regarding Affirmative Action and Equal Opportunity at Moraine Park Technical College (MPTC). It is also intended to outline the College's harassment and discrimination grievance procedure. Employees of the College will be given this procedure upon hire and will be expected to read and acknowledge receipt of the procedure.

Harassment and Discrimination Grievance Procedure Title IX, Paragraph 86.6(b), of the regulations, requires that this agency "adopt and publish grievance procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by . . . (Title IX) . . . " Section 504 of the 1973 Rehabilitation Act, Paragraph 84.7(b) of the regulations, requires that this agency "adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolutions of complaints alleging any action prohibited by . . . (Section 504) . . . "This agency has expanded the grievance procedures to include discrimination prohibited by the several federal and state laws that prohibit discrimination in employment and programming in educational institutions and agencies. These include the Civil Rights Act of 1991; the Americans with Disabilities Act of 1990, as amended; Titles VI and VII of the 1964 Civil Rights Act, as amended; the Age Discrimination Acts of 1967 and 1973; the Equal Pay Act of 1973, as amended; the Civil Rights Restoration Act of 1987; Title IX of the 1972 Education Amendments; Section 504 of the 1973 Rehabilitation Act; the Wisconsin Fair Employment Law; Federal and Wisconsin Executive Orders; Wisconsin Administrative Code; the Carl D. Perkins Vocational Education Act; and the Office for Civil Rights Guidelines. These laws collectively prohibit discrimination in employment and programming on the basis of race, color, religion, national origin, ancestry, creed, sex, disability, arrest record, conviction record, age, veteran status, membership in National Guard, State Defense Force or other reserve component of the military forces of Wisconsin or the United States, marital status, pregnancy, sexual orientation, political affiliation, parental status, genetic testing and the use or nonuse of lawful products off the employer's premises during nonworking hours.

Employees discriminating against employees, students and non-employees will be subject to discipline under appropriate MPTC employment procedures. Students discriminating against other students, employees or non-employees will be subject to discipline under the applicable student code of conduct. Moraine Park will take necessary corrective action to remedy any instances where discrimination is determined to have occurred.

Use of these procedures does not preclude the right of a person to also file a complaint with the Equal Rights Division of the Department of Workforce Development, the Office for Civil Rights, the U.S. Equal Employment Opportunity Commission or the U.S. Wage and Hour Division in the Department of Labor. Most antidiscrimination laws have a time limit of from 180 to 300 days during which an individual may file a complaint.

Grievant: A Grievant can be:

- 1. An applicant for employment with MPTC.
- 2. An employee of MPTC.
- 3. An applicant for admission to any program or course at MPTC.
- 4. A student at MPTC.

Grievance Procedure

- 1. Grievant(s) shall, within 300 calendar days of the date of the action causing the grievance, contact the Equal Opportunity Officer. If you believe one of the Equal Opportunity Officers is responsible for or has permitted discrimination to occur, you should report the matter immediately to the other Equal Opportunity Officer. If you believe both Equal Opportunity Officers are responsible for or have permitted discrimination to occur, you should report the matter to the Vice President Human Resources (staff) or Vice-President Student Affairs (students).
- 2. The grievance must be in writing.
- 3. Upon receiving the written grievance, the Equal Opportunity Officer shall inform the grievant(s) of his/her rights under federal and state law. This shall include outlining that external resources are available through the Department of Workforce Development and the Equal Employment Opportunity Commission.
- 4. The Equal Opportunity Officer shall determine if the grievance is valid as defined under the established grievance procedure. Validity does not mean whether or not an unfair act has occurred but whether or not the act is grievable under the grievance procedure.
- 5. The Vice President Human Resources or the Vice President Student Affairs shall resolve any dispute regarding validity. If the grievant believes the Equal Opportunity Officers are responsible for or have permitted discrimination to occur and therefore the Vice President Human Resources or the Vice President Student Affairs is completing the grievance process, the President shall resolve any dispute regarding validity.
- 6. If the grievance is determined not to be valid, the matter will be closed and the Equal Opportunity Officer will refer those involved to the appropriate College process.
- 7. If the grievance is determined to be valid, the Equal Opportunity Officer will conduct an investigation to include, but not be limited to:
- Interviews with the grievant(s), respondent(s) and appropriate witnesses
- Fact and information gathering
- Review of documentation and other materials provided
- 8. The Equal Opportunity Officer shall attempt, within 30 calendar days, to investigate the grievance through contact with all parties involved. The Equal Opportunity Officer may extend this timeline, as needed, by informing the parties involved of the extension. Every effort will be made to resolve grievances in a timely manner.
- 9. After the investigation is complete, the Equal Opportunity Officer will determine whether or not there is sufficient evidence to believe the harassment and/or discrimination has occurred.

If there is sufficient evidence that harassment or discrimination has occurred, the Equal Opportunity Officer will pursue appropriate disciplinary action, up to and including termination of employment (employee) or expulsion (student).

10. The Equal Opportunity Officer will communicate his/her grievance decision to the grievant(s) and respondent(s) in writing.

Grievant and Respondent Rights

- 1. MPTC shall provide assistance to grievant(s) and respondent(s), including access to copies of antidiscrimination laws and regulations, related guidelines, memoranda and other relevant material supplied to MPTC by the federal government. In addition, the Equal Opportunity Officer or designated representative shall provide consultation in the use of this grievance procedure.
- 2. No person shall be subjected to discharge, suspension, discipline, harassment or any form of discrimination for having utilized or having assisted others in the utilization of the grievance procedure.
- 3. Nothing in this procedure shall preclude a grievant's right to seek other avenues of redress outside of MPTC.
- 4. Neither the grievant(s) nor the respondent(s) shall arbitrarily delay action of the grievance procedure.

Nonretaliation

This procedure is designed to allow employees, students and non-employees to address complaints in a prompt, fair and consistent manner. Any act of retaliation by an employee, student or by anyone acting on behalf of the College, including the intimidation of a grievant, respondent, or witness during the course of an investigation, will result in prompt disciplinary action.

Maintenance of Records

- 1. Records shall be kept of each grievance in the office of the appropriate Equal Opportunity Officer. Such records shall be maintained on a confidential basis.
- 2. All written grievance records shall be maintained for a minimum of three years after the grievance resolution.

Role of the Equal Opportunity Officer

It is the primary responsibility of the Equal Opportunity Officer to ensure the effective installation, maintenance, processing, recordkeeping and notification required by the grievance procedure.

General Summary

Moraine Park Technical College (MPTC) has conducted an analysis with our Institutional Effectiveness Department and is establishing the following goals/initiatives for employment and educational service program areas which are underutilized for minorities, females or disabled students. The analysis was conducted using data from the client reporting system, staff accounting system, internal college data and the series of equal opportunity reports provided by the State Office of the Wisconsin Technical College System.

A review of the employment and student enrollment statistics in various program categories and analysis by the Equal Opportunity Committee verifies the importance and need for this plan. In addition to this plan, MPTC is concurrently starting a Diversity and Inclusion Cross Functional Team. This new team, in addition to the Equal Opportunity Committee will both carefully monitor the goals in this plan to make sure each team and our students can benefit from each committee/plan.

Student Program Affirmative Action Initiatives Enrollment

Program 1: Hispanic Student Recruitment and Retention

The college should review and increase its efforts to both recruit and retain Hispanic students. Statistics for the MPTC Hispanic student population are below our expectations based upon district availability figures. In addition, the College would like to be prepared for our projected Hispanic population growth over the next five years. The reports show that our 2013 District population for Hispanics is 3.13%. Even though our Hispanic student population is at 6.13%, our largest District high school Hispanic senior student population was 8.3% in the 2013 school year and our overall District Hispanic student population 16 or older, is projected to grow by 8.16% from 2015-2019.

Hold events on campus targeted towards prospective Hispanic families to gather input and ideas. | Student Affairs staff, Equal Opportunity Officers, Hispanic students, Diversity Relations Coordinator, Marketing and Communications staff | 2014-2015 |
| Involve Hispanic students who are already enrolled in college or alumni in the High School student recruitment process. Such recruiters can provide better insight into Hispanic student experiences at the College. | Student Affairs staff, Equal Opportunity Officers, Hispanic students, Recruiters, Career Pathways Transition Specialist, Diversity Relations Coordinator. | 2015-2016 |

Generally, an increase in number of Hispanic students enrolled and retained will indicate success. In addition we will use the MPTC Executive Dashboard by tracking Hispanic student data on demand reporting to evaluate and review each year through the Annual Update. Key stakeholders for each program initiative will review and evaluate progress, and provide annual input through the College's AA/EO Five Year Plan Annual Update.

Program 2: Increase enrollment rates for racial Minority and Female Students

Our primary goal is to increase enrollment rates for racial minority students. To assist with this, we would strive to have more racial minority and female students take the Accuplacer/ACT placement tests. Our secondary goal is to have personal follow up for each racial minority student post-test, to ensure they know of their next steps and the resources available to them. While reviewing our numbers from the past three years, the number of females completing the Accuplacer/ACT tests at the College has declined (1,381 in 2012, to 1,292 in 2013 to 1,033 in 2014.) In addition the racial minority student population has seen a decrease in Accuplacer/ACT placement tests completion to program enrollment from 59% in 2012, to 57% in 2013, to 50% in 2014.

| Activity/ Steps | Persons Responsible for Implementation | Timetable |
