General Overview:

Moraine Park is helping to combat the skilled worker shortage in the Information Technology field by offering four new short-term, targeted certificates. The College is using the U.S. Department of Labor TAACCCT3 Grant to provide specific training necessary to create job opportunities at collaborating area businesses.

Visit us online for a listing of upcoming **FREE** information/testing sessions at: *morainepark.edu/itcareers*

Criteria for success:
• Earning a C or better in all coursework
• Must attend at least 95% of all classes
